ACCESS THE BEST EMPLOYERS
IN BULGARIA AND AROUND THE WORLD

Open the door

As a student in Accounting, Finance or Financial Control at the University of National and World Economy (UNWE) you have a unique opportunity to graduate with two qualifications:

- **the BA in Accounting from UNWE**
- **the ICAEW Certificate in Finance, Accounting and Business (ICAEW CFAB)**

ICAEW CFAB is a globally recognised qualification, made up of six modules, which provide you with the technical knowledge you need to succeed in a career in business.

Offered by The Institute of Chartered Accountants in England and Wales (ICAEW), one of the most prestigious professional bodies, the qualification is a great way to demonstrate to employers in Bulgaria, and abroad, that you have a good understanding of how a business really works.

Now, as an UNWE BA Accounting, Finance or Financial Control graduate you are eligible to apply for exam credits/exemptions for these six modules, completely free of charge, and graduate with an additional qualification on top of your degree.

To find out how you can gain ICAEW CFAB, we invite you to attend a workshop on Tuesday 31 October.
