LITERATURE:

A. BASIC

The literature for this elective course depends entirely on the topic of the dissertation. The literature sources are carefully selected by the doctoral student in cooperation with his/her supervisor.

B. ADDITIONAL

Additional literature is formed on the same principle, and the doctoral student may also use part of the bibliographic reference on the topic of the dissertation, which he/she has made at a previous stage according to his/her individual curriculum.

Lecturer:
(Assoc. Prof. Dr. Vasil Petkov)
